SUMMARY

Full Stack Developer (MERN Stack) with hands-on experience in building scalable web applications using React.js, Node.js, Express.js, and MongoDB. Developed AI-powered and real-world platforms with authentication, REST APIs, and interactive features, focusing on performance and user experience.

EXPERIENCE

Web Developer Intern

May 2024 – July 2024

Zidio Development (Remote)

- Engineered a full-stack blogging platform using the MERN stack (MongoDB, Express.js, React.js, Node.js).
- Implemented secure authentication and core functionalities including CRUD operations, likes, comments, and search.
- Optimized MongoDB queries to enhance backend performance and response time.
- Designed and developed RESTful APIs for efficient frontend-backend communication.

SKILLS

- **Languages:** C, C++, Python, JavaScript
- **Frontend:** HTML, CSS, React.js, Bootstrap
- **Backend:** Node.js, Express.js
- **Database:** MongoDB, MySQL
- **Tools:** Git, VS Code, Postman

PROJECTS

AI-Powered Blogging Platform

[Live Demo](#)

- Engineered a blogging platform to reduce manual effort in content publishing through AI-assisted content generation.
- Designed interactive features including search, likes, and comments to enhance content accessibility and user engagement.
- Integrated the MERN stack with Google Gemini API, implementing JWT authentication and RESTful APIs for secure and scalable operations.

Wanderlust

[Live Demo](#)

- Created a travel platform to simplify property discovery and enable users to explore and review accommodations.
- Developed key features including property listings, reviews, and secure authentication to ensure a seamless user experience.
- Utilized Node.js, Express.js, and MongoDB with Cloudinary integration for efficient image storage and media management.

Weather App

- Built a weather application to provide real-time weather updates across multiple locations.
- Designed a responsive and user-friendly interface for clear and intuitive data visualization.
- Integrated the OpenWeatherMap API using React.js to fetch and display live weather data.

EDUCATION

Bachelor of Technology (B.Tech) in Computer Science (AI)

2023 – 2027

Medi-Caps University, Indore

CGPA: 8.73

Class XII

2021 – 2022

Govt. Excellence Higher Secondary School No.1, Tikamgarh, M.P

93.2% (Top 1%)

Class X

2019 – 2020

Shri Guru Harkrishan Senior Secondary School, Tikamgarh, M.P

92%

ACHIEVEMENTS

- Ranked in top 1% in Class XII (93.2%).
- Google Cloud Arcade Trooper.
- AIESEC Volunteer (Marketing Team).
